

# Alternative Project Delivery Opportunities

Procurements for the Port Authority capital projects using alternative project delivery methodologies, such as Construction Manager-At-Risk (CMAR), Design-Build, and Public-Private Partnerships will be posted here.

Effective March 16, 2020, and for a temporary, indefinite period of time, there will be NO Public Bid Openings.

Also, effective March 16, 2020, no Bids or Proposals will be accepted **in person** at any Port Authority facility. **Bids or Proposals will only be received electronically, via email**, unless otherwise indicated in the specific solicitation.

**Each solicitation shall contain specific instructions describing the method and means of electronic submission. Questions shall be addressed to the designated procurement contact for each solicitation.**

Bidders will still be able to review the results of a specific Bid on the Preliminary Bid Results site: <https://www.panynj.gov/port-authority/en/business-opportunities/preliminary-bid-results.html>

Where specifically noted, Bidders may be required to meet the [Information Security Handbook Requirements](#) in order to be able to receive certain documents for Contracts.
